

Welcome to the Kathleen Martin Webinar Series

Quick Start Guide

Please follow all directions for best results

- Go to <http://videos.warrentechnologiesgroup.com> from your browser. (YOU ARE HERE NOW)
- Create a free account. *Be sure to use the SAME email address as you used to register for the webinar. Please do this ASAP as it may take up to 24 to 48 hours to activate your content access level as this is not an automated task. Accounts created the day of an event will not be processed leaving you without information you may need.*
- **Please be aware** that even if you have created an account in the past, you will need to do so for the new webinar series as all accounts are deleted after a web series has ended and closed. You may use your same registration information as last time if you wish without issue.
- You will be sent an email authentication to the email address you used above. You must authenticate your webinar website account from this email. *If you do not receive the email in a timely manner please check your SPAM and or JUNK MAIL folder as some email clients will automatically send website auto generated mail there.*
- After you have authenticated your new webinar website account via email, you will be able to sign into the site page however you must wait for additional paid content to be authorized by us as explained above. When it has been setup for your account you will see the items in the main menu.
 - All webinar downloads are located at this site.
 - All webinars videos may be replayed here 24 hours after an event has ended.

 **For more detailed instructions, please continue to Page 3**

PLEASE NOTE: An email Invitation from Zoom is **NOT NEEDED** to enter the meeting once you have been invited, download materials or view the replay after the event has ended. Simply log in to <http://videos.warrentechnologiesgroup.com> and you will see Kathleen's Meeting Room listed at the top of the page with link and room number on the day of the event 1 hour before until the meeting is over.

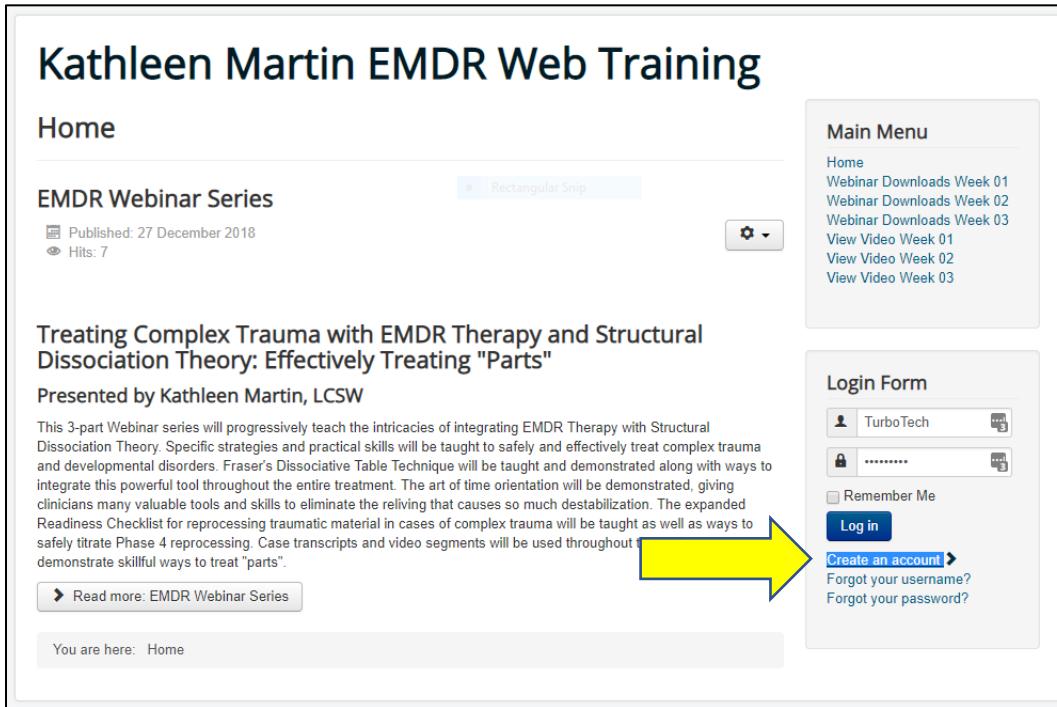

Please follow all directions as listed.
